Blues submissions requested! Guest writers always welcome!!

I started a quest to find terrific blues music and incredible musicianship when I was just a little kid. I also have a tremendous appreciation of fine musical instruments and equipment. One of my greatest joys all of my life was sharing my finds with my friends. I'm now publishing my journey. I hope that you come along!

Merry Christmas Baby! It's a PEACH Blues Holiday Concert at L.A.'s. House of Blues

Merry Christmas Baby!
It's a PEACH Blues Holiday Concert at L.A. House of Blues
Sunday, December 8

(West Hollywood, CA) – Sooth your musical soul this holiday season by attending a special free holiday concert featuring **PEACH** and her Blues All-Stars at the **House of Blues** on the fabulous Sunset Strip, 8430 Sunset Blvd., West Hollywood, Sunday, December 8 in the Voodoo Lounge. Showtime: 8 p.m. Info: <https://www.facebook.com/events/128916443945233/?fref=ts>.

PEACH – also in concert at HOB/Sunset Sunday, January 12 – is coming off a stellar performance at the recent Real Blues Festival of Orange County 4, where one reviewer wrote, "Peach's musical spontaneity provided memorable moments." Watch for an upcoming **"Music On The Couch"** interview with PEACH in the near future.

PEACH is at the forefront of female-fronted blues acts performing both modern and old-time blues, with an All-Star band of musicians featuring keyboardist Ken Stange (Joe Cocker); guitarist Josh Sklair (Etta James); bassist Will MacGregor (Chuck Berry); and legendary drummer Tom Walsh. PEACH has recorded with Taj Mahal, Marty Grebb (The Buckingham's), Reggie McBride (Elton John), Joey Delgado (Delgado Brothers), Garth Hudson (The Band) and Paul Barrere (Little Feat). She has co-written with Keb' Mo' and Marty Grebb but diversifies with an occasional 'Dylanesque' treat. She is a past Los Angeles Music Awards, Rockwired Radio Awards, All Access Magazine Music Awards, and South Bay Music Awards recipient.

Check out this soulful, seductive live recording of "It Meant Nothin'," a song PEACH co-wrote with well-known SoCal bluesman, Keb' Mo' – and which has almost 284,000 views since it posted on YouTube in June.
