Temecula's got the blues. George Thorogood is at Pechanga Resort and Casino this weekend and Peach is at the Old Town Temecula Community Theater tonight.

The Los Angeles-based blues woman has recorded with Taj Mahal, worked with Keb' Mo' and has more cred than you can shake a glass bottle slide at.

Peach recently returned from recording in Copenhagen, with plans to perform some live shows in Europe this summer.

8 p.m. today, Old Town Temecula Community Theater, 42051 Main St., Temecula, 951-308-6377, \$20, www.temeculatheater.org
